NEIGHBORLY BEHAVIOR

Show your neighbors the same respect you expect

- Say “Hello” to your neighbor, or at the very least smile
- Turn your outside lights on to keep your neighborhood safe
- Keep your yard and alley clean – we all want to live in a clean neighborhood
- If your dog does his “business” in your neighbor’s yard – pick it up
- Try to park in front of **your own** home
- Put your trash in the garbage can - not in the middle of the alley
- Turn your music down – not everyone appreciates the same style of music
- If you’re going to have a party notify your neighbors – you could even invite them
- Drive slowly through your neighborhood – children are not mindful of traffic
- Check on your elderly neighbors
- Call 911 if you see any suspicious behavior

Through our combined efforts can we make our neighborhood safer and a better place to raise our family
