### LIGHT THE WAY TO SAFETY

One of the easiest ways to protect your property is to keep the area well lit. Criminals dislike lighted areas. The cost of turning on your porch light is far less than the damage a criminal can do to your property. We encourage you to turn your porch light on at dusk and turn it off at dawn. Edison Community Watch will help you get started. We will be giving a **FREE** light bulb to the first 50 attendees on October 6<sup>th</sup>. Don't be kept in the dark!!

### OCTOBER IS FIRE PREVENTION MONTH

Saturday, October 2<sup>nd</sup> the Hammond Fire Department will host an Open House from 10 A.M.-2 P.M. at the Central Fire Station, 6110 Calumet Avenue

### HOW TO PUT OUT A GREASE FIRE

- DO NOT USE WATER ON A GREASE FIRE. Start evacuating everyone from the building.
- CALL 911
- The easiest way to smother a grease fire is to cover it with a pan lid
- Grease fires can also be smothered with baking soda
- Or use a fire extinguisher
- If your clothes catch on fire: STOP, DROP and ROLL to extinguish the fire
