DATE: Wednesday, February 3, 2016

TIME: 6:30PM

PLACE: Edison School
7025 Madison

GUESTS: Edison Lego Robotics Team

Chief John Doughty, *Hammond Police*

Sgt John Muta, *Hammond Police*

KEEPING SIDEWALKS CLEAR

Working together and helping each other out can keep our sidewalks clear and safe - especially for our children who walk to school. Be a good neighbor - clear your sidewalk and while you're at it, offer to help your neighbor.

It's a great way to get to know your neighbors and warm the heart of someone who may need a hand.

CHECK ON YOUR NEIGHBORS

Extremely cold weather is dangerous for everyone, especially for our seniors and handicapped residents. Hypothermia is often fatal for seniors who have fallen & can't get up. Take a moment to check on your elderly neighbors. Make sure they know you are there to help especially if they need assistance with outdoor chores.

BE PREPARED FOR A WINTER STORM

Dress for cold weather

- Wear several layers of loose fitting, lightweight clothing
- Wear mittens instead of gloves
- Wear a hat
- Wear boots and take small steps to avoid slipping on ice

Winterize your vehicle

- Avoid auto gas line freeze ups by keeping your tank greater than half full at all times
- Make sure your car has adequate antifreeze
- Make sure your tires have good traction and are inflated to the right pressure
- Make sure your heater and defroster work properly
- Make sure you have a good ice scraper

Park your car off the street to allow snow plows to safely clear your street
